

# Conceptualism in Latin American Art: Didactics of Liberation (Joe R. and Teresa Lozano Long Series in Latin American and Latino Art and Culture)

## Luis Camnitzer

Conceptualism played a different role in Latin American art during the 1960s and 1970s than in Europe and the United States, where conceptualist artists predominantly sought to challenge the primacy of the art object and art institutions, as well as the political activation by comments or collective production that fail to build up an account.
